

I. Library Use

The Mahomet Public Library is a center of community life offering opportunities for people of all ages to learn, gather and grow by providing resources, programs, technology, and information. The library provides gracious and friendly service to all users.

Who May Use the Library

The library serves all individuals and groups from, and visitors to, Mahomet Township and the Illinois Heartland Library System. Service will not be denied or abridged because of religious, racial, social, economic or political status; or because of mental, emotional or physical condition; age; gender; or sexual orientation.

Services for Patrons with Disabilities

- The Mahomet Public Library complies with the requirements of the Americans with Disabilities Act of 1990.
- Individuals who require an accommodation for a disability (including interpretive services) for any library presentation should contact the library at 217-586-2611 at least seven (7) working days prior to the event.
- The library acts as a facilitator between patrons and the National Library Service for the Blind and Physically Handicapped, which makes talking book service available to those who qualify.
- The library offers homebound delivery service to patrons with disabilities that prevent them from coming to the library.
- Service animals are welcome in the library. (See policy VII-C, *Animals in the Library*, for more details.)

Library staff is always available and happy to assist patrons with disabilities in using the library. They cannot, however, be responsible for persons who require supervision or special needs care. These persons should always be accompanied by a companion.
